Professional Profile

Computer Science undergraduate and Apple Developer Academy student developer building human-centered products with Swift and applied AI. Experienced in multidisciplinary collaboration and in turning technical ideas into clear, practical outcomes. Interested in leading a Claude Builder Club at CEFET/RJ through hands-on workshops, build nights, and peer learning.

Experience

Apple Developer Academy | Student Developer | 2025 – Present

- Develop and iterate on Apple-platform products in multidisciplinary teams through user research, prototyping, technical decisions, and continuous feedback.
- Contribute to demonstrations and peer reviews, strengthening communication, ownership, adaptability, and collaborative problem-solving.

NAF — Núcleo de Atividades em Física, CAP-UFRJ | Collaborator | Jan 2023 – Present

- Participate in hands-on physics, technology, and field activities focused on experimental thinking, creativity, problem-solving, and teamwork.

Selected Projects

Ômu | Local-AI meeting assistant for macOS | *Swift 6, SwiftUI, Whisper, Qwen, SwiftData, CloudKit*

- Co-developed an app that records or imports meeting audio and creates on-device transcripts, summaries, notes, and tasks, with team workspaces for shared text context.

Bond | Social hobby and task challenges for iOS | *SwiftUI, CloudKit, Game Center, StoreKit*

- Collaborated on an app that helps friends motivate one another through shared hobby goals, task challenges, and light competition.

ScoutIQ | Sports recruitment intelligence platform | *React, Redux Toolkit, Supabase*

- Built with faculty guidance to help football clubs compare player recruitment scenarios under financial and salary constraints.

Education

CEFET/RJ — Federal Center for Technological Education

B.Sc. in Computer Science | 2024 – Present

Skills and Languages

Technical skills: Swift, SwiftUI, Python, C, C++, Java, JavaScript, React, Git, on-device AI, SwiftData, CloudKit

Collaboration: technical communication, peer learning, teamwork, initiative, and problem-solving

Languages: Portuguese (native), English (fluent), French (basic–intermediate)
